# Ts Mario Demo Special \_\_HOT\_\_

Before the game was revealed to be a full release title, several early levels were presented in the form of a tech demo at Game Developers Conference on March 2014. The demo was used to showcase the Nintendo Web Framework, a developer toolset used to program software onto the console with web compatible technologies like HTML and JavaScript. [7] The demo contained the following levels: [8] 2. NATO is the strongest and most successful Alliance in history. It guarantees the security of our territory and our one billion citizens, our freedom, and the values we share, including individual liberty, human rights, democracy, and the rule of law. We are bound together by our common values, enshrined in the Washington Treaty, the bedrock of our unity, solidarity, and cohesion. We commit to fulfilling our responsibilities as Allies accordingly. We reaffirm our adherence to the purposes and principles of the United Nations (UN) Charter. We are committed to the rules-based international order. We commit to reinforce consultations when the security or stability of an Ally is threatened or when our fundamental values and principles are at risk. 51. We reiterate the Alliances full support to the goal of the complete, verifiable, and irreversible denuclearisation of North Korea, in accordance with relevant UNSCRs. We call on the Democratic Peoples Republic of Korea (DPRK) to engage in meaningful negotiations with the United States towards achieving this goal. We urge the DPRK to fully implement its international obligations; to eliminate its nuclear, chemical, and biological warfare capabilities and ballistic missiles; to return to the NPT and its Comprehensive Safeguards Agreement with the International Atomic Energy Agency (IAEA); and to abandon all related programmes. We call on nations to fully implement existing UN sanctions.
